

Antistatic agent ASA-300

Antistatic agent ASA-300 is a special anion surfactant, it's a phosphate type organic Compound. It is suitable for all kinds of fabric such as T/C, Polyester, nylon and so on. It can endow the fabric with excellent antistatic performance. Also it can prevent dyeing splash.

【 Properties 】

1. Appearance: colorless and transparent liquid
2. Component: special anion surfactant
3. Ionic charge: anion
4. pH value : 3.2±0.5
5. Solubility : soluble in water

【 Characteristics 】

1. ASA-300 can be used in 100% polyester and the blending fabrics.
2. ASA-300 can remove the statics in blending fibers and fabrics of spinning process.
3. ASA-300 can remove the statics of flocking cloth, just spray or combine with the plastic resin.
4. ASA-300 have excellent antistatic function, it could reduce friction.
5. ASA-300 have excellent antistatic function to polyester, nylon, acrylic or any other chemical fibers
6. ASA-300 can be added in fiber spinning oil or sizing to remove the statics.

【 Application 】

Using 0.5~1%(o.w.f.), depending on the actual situation, self-adjustment.

【 Package】

120Kg per tub

LIMITED WARRANTY INFORMATION – PLEASE READ BEFORE ANY APPLICATION:

- The data presented in this brochure are in accordance with the present state of our knowledge but do not absolve the user from carefully checking all supplies immediately on receipt.
- We reserve the right to alter product constants within the scope of technical progress or new developments.
- The recommendations made in this brochure should be checked by preliminary trials because of conditions during processing over which we have no control, especially where other companies' raw materials are also being used.
- The information provided by us does not absolve the user from the obligation of investigating the possibility of infringement of third parties' rights or patents and, if necessary, clarifying the position.
- Recommendations for use do not constitute a warranty, either express or implied, of the fitness or suitability of the product for a particular purpose.
- We disclaim any responsibility for any dispute regarding product quality between agent and end user.
- Our sole warranty is that our products will meet the sales specifications in effect at the time of shipment.
