

Moisture absorbing & quick-drying agent PM-011

PM-011 is an innovative wicking agent. PM-011 provides lasting moisture-absorbing, quick-drying, soft performance, and low yellowing, which creates a comfortable wearing feeling. It is suitable for cotton, polyester, nylon other fabrics. PM-011 can be applied in the dyeing and finishing process, without affecting the color difference. PM-011 also provides extraordinary lubricating features for crease prevention.

Physical Properties

- Appearance : Light yellow transparent liquid
- Solid Content: 11 ± 1%
- PH value : 5.5-7.5
- Iconicity : Weak anionic / Nonionic
- Solubility : Soluble in water

Characteristics

- Imparts the excellent soft, smooth hand touch to fabric with only a few dosages.
- It provides good water-absorbing and quick-drying performance.
- It has an excellent lubricating effect.
- It is a very low yellowing type.
- Any fiber can use, especially suit for cotton.

Application

- ⑩ General dosage is 3 to 5%
- ⑩ Please adjust the dosage according to the actual requirements.

Package

120Kg / Drum

LIMITED WARRANTY INFORMATION – PLEASE READ BEFORE ANY APPLICATION:

- The data presented in this brochure are in accordance with the present state of our knowledge but do not absolve the user from carefully checking all supplies immediately on receipt.
- We reserve the right to alter product constants within the scope of technical progress or new developments.
- The recommendations made in this brochure should be checked by preliminary trials because of conditions during processing over which we have no control, especially where other companies' raw materials are also being used.
- The information provided by us does not absolve the user from the obligation of investigating the possibility of infringement of third parties' rights or patents and, if necessary, clarifying the position.
- Recommendations for use do not constitute a warranty, either express or implied, of the fitness or suitability of the product for a particular purpose.
- We disclaim any responsibility for any dispute regarding product quality between agent and end user.
- Our sole warranty is that our products will meet the sales specifications in effect at the time of shipment.
