

## Wastewater decolorizing agent HB-10DN

Wastewater decolorizing agent HB-10DN is a high concentration special polymer. Easy to use, and have a good decolorizing effect. It will not cause secondary contamination. HB-10DN is good at reducing ammonia nitrogen value as a multifunctional agent.

### Physical Properties

- Appearance : White powder
- Composition: Special polymer complex
- Solid content : 99%
- PH value :  $12\pm 0.5$ ( 1%aq)
- Solubility : Easy to dissolve in water

### Characteristics

- It has good decolorizing effect.
- It is good at reducing ammonia nitrogen value.
- No HCO<sub>3</sub><sup>-</sup> and COD. Eco-friendly type product.
- It can be combined use with PAC/PAM, even replace them.
- Effectively reduce the sludge and prevent the filter membrane obstruction.
- It will not cause secondary contamination.
- Fast reaction, high cost-effect.
- Using together with the neutralizing agent can effectively improve the efficiency of biochemical treatment.

### Application

#### Recommend Usage

- For Wastewater decolorant : 0.005-0.4%(on the weight of the wastewater) stirring and absorb the residual color.  
Please adjust the dosage based on the actual requirement.

### Storage

- The product should be stored at cool and dry place, and away from the sunlight.

### Package

- 50Kg Plastic drum.

#### LIMITED WARRANTY INFORMATION – PLEASE READ BEFORE ANY APPLICATION:

- The data presented in this brochure are in accordance with the present state of our knowledge but do not absolve the user from carefully checking all supplies immediately on receipt.
- We reserve the right to alter product constants within the scope of technical progress or new developments.
- The recommendations made in this brochure should be checked by preliminary trials because of conditions during processing over which we have no control, especially where other companies' raw materials are also being used.
- The information provided by us does not absolve the user from the obligation of investigating the possibility of infringement of third parties' rights or patents and, if necessary, clarifying the position.
- Recommendations for use do not constitute a warranty, either express or implied, of the fitness or suitability of the product for a particular purpose.
- We disclaim any responsibility for any dispute regarding product quality between agent and end user.
- Our sole warranty is that our products will meet the sales specifications in effect at the time of shipment.
