

Reactive/Direct dyes fixer DR-670

It is more and more important that fixer is used in dyeing and finishing process of cellulose fabric with environmental protection, color fastness and washing-resistance. In the case of this our company developed the reactive/direct dye fixer YIMANFIX DR-670 with environmental protection, high color fastness and washing-resistance. YIMANFIX DR-670 made from hydrotropic polymer is non-formaldehyde cationic fixer and is applied for reactive/direct dye of cotton, Rayon and so on. The soaping fastness can increase by 1-1.5 after use.

【 Physical properties 】

- 1.Appearance: Light yellow clear liquid
- 2.Composition: cationic polymer
- 3.Solid content: 40±1%
- 4.Ionic charge: cationic
- 5.pH value: 7~10
- 6.Solubility: easily soluble in water

【 Characteristics 】

1. DR-670 can be applied for cellulose fabric, Rayon or blend.
2. DR-670 can be applied for reactive/direct dye.
3. DR-670 can increase the washing fastness.
4. DR-670 do not influence the sunlight fastness.
5. DR-670 do not change the color and hand feeling of fabric.
6. DR-670 is environment-friendly and non-formaldehyde.

【 Application 】

account :1~3%, temperature:40~60°C
time:20~40min bath ratio: 1 : 20
Padding: 15~25g / l

【 Package 】

120kgs Plastic glue tub

LIMITED WARRANTY INFORMATION – PLEASE READ BEFORE ANY APPLICATION:

- The data presented in this brochure are in accordance with the present state of our knowledge but do not absolve the user from carefully checking all supplies immediately on receipt.
- We reserve the right to alter product constants within the scope of technical progress or new developments.
- The recommendations made in this brochure should be checked by preliminary trials because of conditions during processing over which we have no control, especially where other companies' raw materials are also being used.
- The information provided by us does not absolve the user from the obligation of investigating the possibility of infringement of third parties' rights or patents and, if necessary, clarifying the position.
- Recommendations for use do not constitute a warranty, either express or implied, of the fitness or suitability of the product for a particular purpose.
- We disclaim any responsibility for any dispute regarding product quality between agent and end user.
- Our sole warranty is that our products will meet the sales specifications in effect at the time of shipment.
